

HANA ROSS

Room 4.13; School of Economics
University of Cape Town; Middle Campus;
Rondebosch 7700; Cape Town; South Africa
hana.ross@uct.ac.za; hzarub1@yahoo.com

EDUCATION

University of Illinois, Department of Economics, Chicago, Illinois, USA Ph.D. Degree in Economics Fields of Specialization: Health Economics and Labor Economics	2000
University of Illinois, Department of Economics, Chicago, Illinois, USA MA Degree in Economics Fields of Specialization: Health Economics and Developmental Economics	1999
Prague School of Economics, Business Department, Prague, Czech Republic MBA Fields of Specialization: Travel Industry and Related Services	1992

PROFESSIONAL EXPERIENCE

Research on Economics of Excisable Products, School of Economics, University of Cape Town, South Africa
2020 - present
Principal Research Officer at Professor Level

Economics of Tobacco Control Project, School of Economics, University of Cape Town, South Africa
2015 - 2020
Principal Research Officer at Professor Level

Emory University, Rollins School of Public Health, Atlanta, USA
2007 – 2019
Adjunct Assistant Professor; Site supervisor for the RSPH Practicum Program

Georgia State University, Institute of Public Health, Atlanta, USA
2006 - 2019
Adjunct Faculty; Tobacco Center for Regulatory Science Advisory Board Member

Southern Africa Labour and Development Research Unit (SALDRU), University of Cape Town, SA
2012 - present
Research Affiliate

Bill & Melinda Gates Foundation
2019 – 2020
Consultant, Economics of Tobacco Control

Continued

PROFESSIONAL EXPERIENCE (continued)

World Bank, Washington, D.C., USA

2000 – 2004; 2015 – 2019; 2021 - present

Economic consultant and technical advisor. Independent appointment.

World Bank

Campaign for Tobacco Free Kids

2008 – present

Consultant, Economics of Tobacco Control

International Union Against Tuberculosis and Lung Disease

2017 – present

Tobacco Tax Expert Consultant

International Clinical Research Center, St. Anne's University Hospital, Brno, Czech Republic

2013 - 2016

Research Affiliate

American Cancer Society, Atlanta, USA

2013 - 2014

Managing Director, Intramural Research Department.

Managing Economic and Health Policy Research Program with focus on non-communicable diseases prevention (tobacco control, alcohol control, nutrition, obesity and physical activity). Overseeing projects that built research capacity in low- and middle-income countries.

American Cancer Society, Atlanta, USA

2008 - 2013

Managing Director, Intramural Research Department.

Managing economic and policy-relevant research on unhealthy behavior in low- and middle-income countries. Manage economic research projects in low- and middle-income countries.

American Cancer Society, Atlanta, USA

2006 - 2008

Strategic Director, Intramural Research Department.

Developing strategy to address non-communicable disease burden in low- and middle-income countries. Conducting research on economics of tobacco control and on public policy design in low- and middle-income countries.

Tobacco Technical Assistance Consortium (TTAC)

Rollins School of Public Health, Emory University

2009 – 2014

Consultant

Continued

PROFESSIONAL EXPERIENCE (continued)

Health Resource Facility for Australia's Aid Program, Australia

2014

Technical Expert

European Parliament

2013 – 2014

Technical Expert

Alcohol and Tobacco Tax and Trade Bureau, Department of the Treasury, USA

2009 – 2010

Technical expert on tax gap analysis to estimate the scope of illicit trade.

Research Triangle Institute, Research Triangle Park, North Carolina, USA

2009

Consultant

World Health Organization

2006 - present

Consultant

Research Triangle Institute, Research Triangle Park, North Carolina, USA

2004 - 2006

Research Economist. Independent appointment.

Health economic research in the area of health promotion with a special focus on comprehensive evaluation of tobacco control programs, return on investment to tobacco control policies, and in research capacity building in low- and middle-income countries.

Health Research and Policy Centers, University of Illinois at Chicago, Chicago, Illinois, USA.

2003 - 2004

Senior Research Specialist. Independent appointment.

Undertaking health economic research in the area of substance abuse with a special focus on smoking behavior and international tobacco control research.

College of Business Administration, Department of Economics, University of Illinois at Chicago, Chicago, Illinois, USA.

2004

Research Assistant Professor. Independent appointment.

ASPECT Consortium, Brussels, Belgium

2004

Technical advisor and economic chapter coordinator for a European Commission report on tobacco control in Europe

Continued

PROFESSIONAL EXPERIENCE (continued)

International tobacco evidence network (ITEN), University of Illinois at Chicago, Chicago, Illinois, USA.

2000 – 2010

Deputy Director. Independent appointment.

Directing the Network's activities including grant management, peer review process and mentoring function, teaching at international workshops/seminars, and conducting independent and collaborative research on economics of tobacco control with international focus. Providing testimony on research results to support adoption of tobacco control legislation in low- and middle-income countries.

World Health Organization, regional office in Phnom Penh, Cambodia

2004

Technical advisor to three research projects, including survey design, data analyses and writing technical reports. Independent appointment.

Open Society Institute and Central European University

2002 – 2007

Technical advisor. Mentoring research projects in Armenia, Romania, Ukraine, the Czech Republic, and other Former Soviet Republics. Independent appointment.

Health Research and Policy Centers, University of Illinois at Chicago, Chicago, Illinois, USA.

2001- 2003

Visiting Research Specialist. Independent appointment.

Undertaking health economic research in the area of substance abuse with a special focus on smoking behavior and international tobacco control research.

Health Research and Policy Centers, University of Illinois at Chicago, Chicago, Illinois, USA.

2000- 2001

Post-doctoral Research Associate, Mentor: Prof. Chaloupka.

Economic analysis of youth smoking behavior in the US.

Department of Economics, University of Illinois at Chicago, Chicago, Illinois, USA.

1996 – 2000

Research assistant.

Data management for substance abuse projects.

Department of Economics, University of Illinois at Chicago, Chicago, Illinois, USA.

1998

Independent instructor.

Teaching undergraduate level course in Macroeconomics.

Department of Economics, University of Illinois at Chicago, Chicago, Illinois, USA.

1995 – 1997

Teaching assistant, Discussion group instructor.

Microeconomics and Macroeconomics courses.

Continued

PROFESSIONAL EXPERIENCE (continued)

MONA spol.s r.o. operated by the Dutch Publishing House VNU, Prague, Czech Republic.
1993 – 1994

Marketing Manager.

Managing marketing activities for women's weekly with the highest circulation in the country.

Prague School of Economics, Business Department, Prague, Czech Republic
1991 – 1992

Coordinator, Tempus program of EU PHARE Project.

Managing the grant, coordinating meetings, simultaneous translation and translation of documents.
