

- CX → Student is granted credit and exemption for the equivalent courses at UCT and may continue with any courses for which this credit is a prerequisite.
- CR → Student has been credited with the course but cannot continue in that discipline. Certain disciplines may permit the writing of an entrance examination or further assessment to convert the CR to a CX.
- EX Student has covered the equivalent content of the course, does not need to repeat it, and may progress to the next level in that discipline. No credit is given towards the degree.

UNIVERSITY OF STELLENBOSCH

RECOGNISED AT UCT FOR DEGREE PURPOSES

Stellenbosch courses

UCT Credit and | or Exemption

ACCOUNTING

Financial Accounting 178
Financial Accounting 278

CX Financial Accounting – ACC1006F or ACC1021F
CR Business Accounting – ACC1022Z

NB: To be able to register for ACC2012W Financial Reporting II, eligible students need to write the ACC1011N entrance exam and obtain a result of at least 60%. Students who obtain a result of 50%-59% in the ACC1011N entrance exam will earn a CR for ACC1011S Financial Reporting I, but will not be permitted to continue into ACC2012W Financial Reporting II. The entrance exam is written in January.

ECONOMICS

Economics Micro 114
Economics Macro 144
Economics 244/ 214

CR Microeconomics – ECO1010F/S
CR Macroeconomics – ECO1011S
CR Economics 2004 – ECO2004S/ECO2007S

NB To continue with any Economics courses at UCT an entrance exam will need to be written and the entrance criteria met as outlined in the Commerce Faculty Handbook. The entrance exam is typically written in February on the first day of lectures. Only students with 50% and above will be granted the CX.
