

## LeAD Campus Programme – African Executives 2016

3<sup>rd</sup> to 8<sup>th</sup> April

### Cape Town

The goal of LeAD Campus is to identify the current and future leaders of Africa, develop their skills and projects, to help them contribute to sustainable and inclusive growth across the continent.

In coordination with African corporations, this certificate awarding programme is coordinated by four African and French institutions: Sciences Po (France), the Higher Institute of Management in Dakar (Senegal), the Graduate School of Development Policy and Practice (GSDPP) of the University of Cape Town (South Africa) as well as CEFEB, the Corporate University of the French Development Agency (AFD).
