

CX → Student is granted credit and exemption for the equivalent courses at UCT and may continue with any courses for which this credit is a prerequisite.

CR → Student has been credited with the course but cannot continue in that discipline. Certain disciplines may permit the writing of an entrance examination or further assessment to convert the CR to a CX.

For the UNISA SAICA accredited BCom, the total workload is the equivalent of 360 SAICA credits, and each individual module is the equivalent of 12 SAICA credits.
